Dear Parents/Carers,

LKS2 visit to Eyam

As part of our enquiry 'What would you sacrifice to save others?', we have been focusing on the village of Eyam and the incredible sacrifices that those that lived there during the Plague made to save others. We would therefore love to provide the children with the opportunity to visit Eyam; a fantastic place to explore our question with its beautiful buildings and amazing museum.

The visit will take place on **Monday 22nd June 2026**. The children will be transported to and from the venue via coach which will depart at 9:15am. After the children have taken part in all activities in Eyam, we will leave at 2:15pm to return to school by approximately 3pm (any traffic updates will be posted via ClassDojo).

Please ensure that your child wears sensible footwear as they will be walking on the trails around Eyam. They should also come prepared for all weather conditions; this may include a waterproof coat, sun hat and sun cream already applied at home. Please also make sure children come equipped with a refillable water bottle and a small backpack to carry their belongings comfortably throughout the day.

Your child will need a packed lunch for the trip (no glass bottles or fizzy drinks please). Your child will be responsible for carrying their packed lunch and we suggest they bring it in a small backpack. If your child is entitled to free school meals, then we can arrange a packed lunch from our catering team. Please indicate on the permission slip if you would like the school office to order a packed lunch.

Children who require sickness tablets should have them at home at the appropriate time. Tablets for the return journey must be named, provided with the original packaging, and given to the class teacher. Please collect and complete a medicine form from the office.

We are asking for a contribution of **£15.50** which will cover the cost of the coach and entry and activities in Eyam Museum. This will be set up as a payment on Arbor.

Unfortunately, if the cost of the trip is not met, it cannot go ahead.

A school journey consent form is enclosed with this letter and must be completed and returned to the school before the day of the visit. Unfortunately, without a consent form, county regulations state that your child will be unable to travel. **Please return the consent form asap and make the payment via Arbor by the 29th May.**

Thank you for your continued support,

LKS2 Team
